7. [redacted] LIAISON Called Bill Miller, Staff Director, Senate Select Committee on Intelligence, and suggested that the luncheon with Bill Wells, DDO, on 15 October would be a good time to discuss the Orlando Letelier issue and Miller agreed.

I also mentioned to Miller that we were still receiving requests for Congressional briefings on the MIG-25, but that we planned to brief our Committees first, and I would let him know when we had a comprehensive package to offer.
